## **QUOTE OF THE DAY**

“Why does the eye see a thing more clearly in dreams than with the imagination being awake?” – Leonardo da Vinci

“Life being all inclusion and confusion, and art being all discrimination and selection, the latter, in search of the hard latent value with which it alone is concerned, sniffs round the mass as instinctively and unerringly as a dog suspicious of some buried bone.” – Henry James

“I'm not concerned with your liking or disliking me. All I ask is that you respect me as a human being.” – Jackie Robinson

“I don't want other people to decide who I am. I want to decide that for myself.” – Emma Watson

“I hate the way market forces try to separate us out into the appropriate demographic - basically in order to sell us things. We need to find stories that we can enjoy together, not separately.” – Emma Thompson

"I went to a restaurant that serves 'breakfast at any time'. So I ordered French Toast during the Renaissance." – Steven Wright
